Protective Research Section  
November 26, 1963

Report is acknowledged this date, Nov. 26, 1963, of the following items from Dr. George G. Burkley:

A piece of bronze colored material inadvertently broken in transit from casket in which body was brought from Dallas.

X Doctor - Certificate of Death of John F. Kennedy - State of Texas - dated Nov. 22, 1963.

X Carbon copy of letter dated November 26 from Commanding Officer, U. S. Medical School, concerning law and regulations regarding confidential nature of the events.

X Receipt dated Nov. 22, 1963, for bed sheet, surgical mask and shroud used to cover the body in transit.

X Letter dated Nov. 22, 1963, regarding a carton of negative film, undeveloped except for X-rays, delivered earlier for safeskeeping.

X One black and six pink copies of Certificate of Death.

X X Report from FBI for a missile recovered during the removal of the body.

X Letter from University of Texas South West Medical School containing report from Dr. Clark and summary of their post mortem treatment and examination of the President in Parkland Hospital. Said letter of transmittal states that carbon copies have been retained in that area.

X Autopsy report and notes of the examining doctor as described in letter of transmittal Nov. 26, 1963 by Dr. Clark.

X Doctor and 7 copies of the above item (autopsy report).

X Report for post mortem examination signed by the Attorney General dated Nov. 22, 1963.

REPORT 1. BODC
